Meet your perfect Manager

Rare Holiday Homes is a hospitality company that is transforming the mid to long-term housing experience for business professionals and individual travellers.

We lease carefully-selected, high-quality properties, in the most sought-after areas of Dubai. Our in-house interior design team upgrades the properties into best-in-class rentals, which we can rent on a medium and long-term stay basis to business professionals and individual travellers.

In Dubai, apart from individual owners we have partnered with some of the leading real estate and development companies. We have already leased 200+ apartments by the end of 2019.
